

Digital Citizens self-assessment template

This helps me to understand my progress against the Digital Citizens Plan and to agree next steps.

My goal/s

[Delete any sections that are not being worked on, in this period.]

Support Needs/Values and Attributes/Cyber Safety Aware/Digitally literate/Digitally fluent		
Goal	Description/example	Measure of success

Self-Reflection

Use the below questions to reflect on your progress, and what you want to do next.

Question	Response
What is going well?	
How do you know things are going well? How can you show/demonstrate this?	
What could be improved?	
How do you know things need to be improved? How can you show/demonstrate this?
